

## About The Program

The Metro Waste Authority (MWA) Shingle Recycling Annual Rebate program is designed to reward companies recycling asphalt shingles. The rebate is offered on an annual basis beginning each Jan. 1 and ending Dec. 31. Once a customer recycles eight tons of asphalt shingles determined "Clean/Accepted" (in a calendar year), MWA will rebate \$5/ton to the customer for all quantities since the beginning of the year.

### Account Number Required for Tracking

Must have an account number (it can be a charge or cash account with MWA). This account number allows us to track your tonnage. You must provide this account number to have the load count towards the rebate. (If you don't currently have one, by completing the agreement on the back, MWA will automatically set up a cash account for your business).

If you wish to join the MWA Shingle Recycling Annual Rebate program, please complete the attached agreement. I look forward to your participation!

Warmest regards,

Rhonda O'Connor  
Program Manager

## How it Works

- » Runs annually from Jan. 1 to Dec. 31
- » To qualify, must bring at least 8 tons of "Clean/Accepted" asphalt shingles
- » Discounted disposal still applies
  - \$15/ton at Metro Park East
  - \$23/ton at Metro Park West
- » Rebate of \$5/ton after eight (8) tons have been delivered and qualified for recycling in a calendar year
- » Rebate checks issued by Feb. 15 for prior year agreement

» **Must sign agreement EVERY year**

## What You Get

Only roofing companies who sign up for the rebate program are listed on our website for residents inquiring.

# 2012 SHINGLE RECYCLING MEMORANDUM OF AGREEMENT

Metro Waste Authority (hereinafter "MWA") accepts asphalt shingles for recycling that have met the following requirements for clean/accepted shingles and commercial loads (hereinafter "requirements").

*"Clean/accepted shingles" are as follows: Clean asphalt shingles can include: Nails & Felt/tar paper. Clean/accepted asphalt shingles cannot include a large amount of: Wood: pallets, woodshake shingles; Metal: flashing, gutters, plumbing stacks; Plastic or vinyl: vents, gutters, buckets, plastic packaging; Paper waste; Mastic or plastic roofing cement; Rolled roofing materials (excess felt); Other garbage, trash or dirt; Nail coils.*

*The commercial requirements are as follows: Shingles from commercial buildings (anything over a four-plex residence) must have a core sample from the roof tested for asbestos with negative results as provided for per NESHAP regulation 40 CFR Part 61 Subpart M.*

MWA and Company Owner/Representative desire to enter into a Memorandum of Agreement, wherein the Company will deliver shingles meeting the aforementioned Requirements to Metro Park East or Metro Park West to qualify for rebate.

MWA and Company Owner/Representative agree as follows for the calendar year of 2012:

MWA will accept shingles meeting the Requirements at a cost of \$15 per ton at Metro Park East and \$23 per ton at Metro Park West.

MWA will offer a \$5 per ton rebate to Company if Company delivers eight (8) tons or more of shingles meeting the requirements between January 1, 2012 and December 31, 2012. Rebate will be distributed at year-end and is retroactive to all RAS brought between January 1, 2012 and December 31, 2012 and ends December 31, 2012.

Company will pay for the delivery of shingles meeting the requirements either by cash or through a credit account with MWA. If the Company chooses to pay for the disposal through a credit account, the Company shall make all payments in accordance with MWA's credit policy.

This Memorandum of Agreement shall be effective from January 1, 2012 through December 31, 2012.

MWA reserves the right to discontinue this rebate program at any time.

MWA and the Company have caused this Agreement to be executed as of \_\_\_\_ day of \_\_\_\_\_ 2012.
