

REQUIREMENTS FOR BUSINESS, CONDOS & APARTMENTS

COMMERCIAL GUIDELINES

Simple Process for Asbestos Testing

Shingles from commercial buildings (anything over a four-plex residence) are required to have asbestos testing prior to recycling. By following these simple steps, you can **RECEIVE AN INSTANT DISCOUNT ON DISPOSAL** and shingles from commercial projects.

**\$25
TESTING
FEE**

TEST CORE SAMPLE

Iowa Environmental Services can test a core sample from the roof for \$25. Call 515.279.8042 and ask for Jeff or Rich.

FOR NON-ASBESTOS RESULTS

Send your results to the Special Waste Coordinator at Metro Waste Authority (see information below). You will also need to complete a one-page shingle permit (see the next page).

Call Ahead to Expedite Disposal

Call the landfill you are coming to, so they can plan for the larger load and expedite the process for you.

Metro Park East | 515.333.4448

Metro Park West | 515.436.8252

Current Amount	<input type="text"/>	Site Address if Different	<input type="text"/>

Delivery Instructions

Thank you for your business. This permit allows delivery of ONLY the identified recycled material as described above. Large quantities of commercial recycled shingles are managed differently than residential shingles and delivery must be scheduled in advance after appropriate paperwork for asbestos testing has been received. **Failure to contact the scale house may result in refusal at the gate.** Metro Park East Landfill is located at 12181 NE 12th Ave, Mitchellville which is approximately five miles east of Southeast Polk High School on University Ave (Hwy 163). Questions regarding asbestos testing, delivery or other commercial shingle jobs can be directed to Sara Kurovski, 515-333-4446.

DELIVERY DAY PROCEDURE

- 1. Call the scale house at MPE 515-333-4449 or 515-333-4448 or MPW 515-436-8252.**
 - 2. Have copy of THIS permit with driver.**
 - 3.**
- Failure to follow steps 1 and 2 may result in refusal at gate.**
