

REQUESTS FOR PROPOSALS

for

Municipal Solid Waste, Recycling and Yard Waste Collection Services

Addendum 1—September 21, 2021

by

300 East Locust Street, Suite 100
Des Moines, IA 50309
(515) 244-0021

Proposal Deadline: 4:00 p.m. CST, October 15, 2021

This Addendum #1 is being issued to modify, supplement or replace information contained in the original RFP. This addendum is hereby made as part of the contract documents. The red text on the additional pages reflects these changes and must be used for bid submission. Unless specifically listed in this Addendum #1, all other terms of the original RFP shall remain effective.

Each bidder shall acknowledge receipt of each addendum in its proposal to have its bid read and considered.

PAGE 4 OF RFP DOC:

September 21, 2021	Addenda #1 Issued
September 28, 2021	Last Day for Questions
October 1, 2021	Final Addenda Issued (if needed)
October 15, 2021	Bids Due (<i>extended by one week</i>)
November 5, 2021	Finalize Bid Review
December 3, 2021	Bid Recommendation and Community Review
December 15, 2021	Contracts at MWA Board for Approval
April 4, 2022	Yard Waste Collection Services Begin
July 1, 2022	Solid Waste and Recycling Services Begin

PAGE 6 OF RFP DOC:

3. All Proposers must complete Forms A through I as contained within this RFP packet.
6. Each Proposer shall acknowledge receipt of all addenda issued to the RFP by completing Form I and indicating in their proposal which addenda were received.
10. All responses are to include a statement that the Proposer accepts the attached Draft Agreement and understands all sections and provisions of the Draft Agreement. Exceptions, if any, shall be noted in a “redlined” version of the Draft Agreement, which shall be attached to Form H of the proposal.
12. Any proposals received after 4:00 on October 15, 2021, may, at the sole discretion of MWA, be determined unresponsive and returned unopened to the Proposer.

PAGE 11 OF RFP DOC:

Contractor understands that the information herein is provided for historical context as MWA will not and does not guarantee a minimum or maximum tonnage to be collected under this contract.

PAGE 24 OF RFP DOC:

3.2.3 Yard Waste. The Contractor shall provide weekly collection of Yard Waste that is in Approved Receptacles placed in the proper Set Out location for collection as determined by MWA and municipality to all Eligible Residences within the Designated Collection Area. The Contractor may only refuse to provide service to an Eligible Residence in the event and to the extent that the material is not Yard Waste Material and/or that has not been properly Set Out. Proper Set Out shall mean MWA branded cart, MWA Compost It! bag or generic bag with an MWA Compost It!

sticker, or bundles of twigs and branches **with a Compost It! sticker** not to exceed eighteen inches (18) in diameter and four (4) feet in length.

PAGE 30 OF RFP DOC:

- 5.3 Collection of City Facilities. The Contractor shall provide collection services for Solid Waste and Recycling generated by Participating Member Communities' facilities in the quantities and frequencies described in Schedule 2 for no additional charge. For any container collected two times each week, the collection of these containers must be at least three business days apart. **In the event collection is requested with less than three business days in between, fees will be assessed based on contracted pricing.** The Contractor must provide dumpsters to the respective Participating Member Community at the locations and sizes specified in Schedule 2.

If a Participating Member Community increases the frequency of service, adds an additional dumpster at any location, or adds a site, it will be serviced as necessary by the Contractor ~~and payment made as provided in contracted pricing. If a Participating Member Community decreases frequency or eliminates a dumpster, the Participating Member Community will be credited on an equal basis to the decrease in service per contracted pricing.~~ Any change in the service provided by Contractor to City Facilities must be communicated to MWA by the Contractor ~~or Participating Member Community. in order for MWA to provide an adjustment on monthly invoices to the Participating Member Community.~~

PAGE 35 OF RFP DOC:

- a. Incident Damages. The failure of the Contractor to remedy the cause of any service complaint which is found to be justified shall be deemed a breach of this Agreement. In the event of such breach, the Contractor shall pay liquidated damages to MWA according to the following schedule. The parties agree that the actual damages incurred for each complaint may be difficult to ascertain. It is agreed between the parties that the following schedule reasonably reflects the actual damages that may be incurred, and that MWA may deduct such damages from payments due or to become due the Contractor and that said amounts are the appropriate damages for Contractor's breach.
- (1) Failure to clean up spilled Solid Waste – \$250 each incident.
 - (2) Failure or neglect to collect Solid Waste, Recycling, Yard Waste or Bulky Waste from any Eligible Residence within twenty-four (24) hours from the scheduled date for collection – \$250 each failure or neglect.
 - (3) **Failure to affix an information tag (i.e. rejection notice) as specified in 3.2 in the event of refusal of Collection Service—\$100**
 - (4) **Failure to monitor and report contamination in recycling as specified in 3.2.2—\$100**
 - (5) Failure to adhere to outlined communication and decision tree related to suspension of services during inclement weather – \$1,000 each failure or neglect.
 - (6) Failure to keep equipment in clean, safe and sanitary manner – \$500 per vehicle incident per day.
 - (4) Failure to have vehicle operators properly licensed – \$1,000 per incident per day.
 - (5) Failure to provide access to routing and dispatch information and contacts during office hours in the manner specified in Section 6.5 – \$500 per incident per day.

- (6) Failure to file on a timely basis information and reports required by this Agreement – \$500 per incident per day.
- (7) Failure or neglect to complete each route on the regular scheduled collection day, if failure to complete collection is attributable to the Contractor – \$1,000 for each route not completed with a fine for each day not completed.
- (8) Failure to clean up any oil spills as described in Section 5.1 – \$500 per incident per day. Contractor also will be required to pay all expenses if MWA is required to clean up an oil spill due to lack of action by Contractor.
- (9) Collection Service delivered outside of the approved hours of collection as specified in Section 3.8 – \$250 per route, per day.
- (10) If MWA is required to perform more than two (2) hours of work during a forty (40) hour work week due to Contractor's neglect or failure to perform, Contractor shall be charged an amount for all time spent by MWA at the rate of \$40 per hour.

Complaints listed above will be vigorously investigated and damages will be assessed when justified. However, MWA, prior to any assessment of damages, shall give written notice to Contractor of any allegations and shall also give reasonable opportunity for Contractor to contest the alleged violation. MWA shall have the option to waive damages assessment where, in its sole judgment, circumstances warrant the same.

Form F: Solid Waste, Recycling, Yard Waste Cost Proposal

Responders may choose to provide proposed pricing for services from any or all of the following zones. A selected Proposer will be awarded no more than two zones.

Zone 1: Altoona, Bondurant, Clive, and Pleasant Hill (Currently 17,525 households)

The following communities may be added to zone for recycling services only: Alleman, Ankeny, Mingo, Elkhart, Hartford, Prairie City, Unincorporated Polk County, Urbandale
(Added communities < 25% of the Zone household count will be at the agreed upon rate below. If >25%, will be negotiated.)

A. SOLID WASTE & RECYCLING:

Please provide the per month per household proposed rate for the services below.

	Solid Waste	Recycling (Every Other Week Collection)	Recycling (Weekly Collection)	Solid Waste Alternate w/out Recycling*
96-gal cart	= \$. /HH/MO	= \$. /HH/MO	= \$. /HH/MO	= \$. /HH/MO
48-gal cart	= \$. /HH/MO	= \$. /HH/MO	= \$. /HH/MO	= \$. /HH/MO
