

**METRO WASTE AUTHORITY
POSITION DESCRIPTION**

SOLID WASTE UTILITY WORKER

Incumbent's Name: Multiple Positions Department: Landfill
Title: Solid Waste Utility Worker FLSA: Non-Exempt
Date: August 2020 Reports To: Operations Manager

PURPOSE OF POSITION

Performs physical labor and equipment operation to maintain and ensure a neat, orderly, and safe work site and operation at the Metro Park East Landfill.

ESSENTIAL DUTIES AND RESPONSIBILITIES

The following duties are normal for this position. Duties and responsibilities are listed to reflect a sense of key priority. They are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

1. Establishes a traffic flow and rotation for commercial, residential, and private haulers in the disposal of solid waste materials at the landfill, compost center, and other designated areas.
2. Cleans up debris and litter by means of physical labor, gives related training and work instruction to helpers and temporary employees, and operates specialized equipment used in litter control.
3. Uses basic shop tools such as grinders, drill press, compressor, impact wrench, floor jacks, and related tools in the maintenance of the worksite and equipment. Lubricates, maintains, and makes minor mechanical repairs of related equipment, repairing and switching tires, and basic carpentry tools to maintain, repair, or build additions and fixtures.
4. Operates farm tractor, riding mower, man lift, water truck, street sweeper, roll off truck, dump truck, skid loader, common implements such as bat wing mower, soil disk, harrow, seeder, post hole drill, snow plow, sander, and related equipment to maintain the site. Operates forklift to load, move, and unload objects. Operates related equipment up to 75 HP.
5. Maintains and repairs buildings, grounds, and premises of the physical facility to ensure the workplace is tidy, clean, and safe.
6. Performs heavy physical labor in lifting and carrying heavy objects, digging, shoveling, pushing, pulling, prying, dragging, loading and unloading, under adverse working conditions.
7. Provides courteous external and internal customer service according to MWA Customer Service standards.
8. Participates in all safety training, follows established safety procedures, makes recommendations for safety improvements and corrects unsafe acts or conditions when appropriate. Understands the EMS policy and what it means to MWA. Understands how the position and job responsibilities impact the environment and seeks to identify areas in need of improvement. Recommends improvements through the Suggestion Box or to the EMS Core Team or the MWA Management Team in cases where does not have the authority to make improvements.

METRO WASTE AUTHORITY POSITION DESCRIPTION

SOLID WASTE UTILITY WORKER

9. Demonstrates an understanding of MWA's values (Leadership, Integrity, Positivity, Teamwork, and Innovation) and applies them to the position, and assigned responsibilities, as well as to all interactions with customers and co-workers.
10. Performs other special projects, duties, and responsibilities as assigned.

MINIMUM TRAINING AND EXPERIENCE REQUIRED TO PERFORM ESSENTIAL FUNCTIONS

Position requires:

- Graduation from high school or GED equivalency
- A valid Commercial Driver's License (CDL) with job related (Tanker, Air brake and Hazmat) endorsements as required by Iowa Department of Transportation.
- A drug test and pre-employment physical. Subject to random alcohol and drug testing. Must maintain insurability standards.

MINIMUM PHYSICAL AND MENTAL ABILITIES REQUIRED TO PERFORM ESSENTIAL FUNCTIONS

Physical Requirements

Position requires:

- Outside work involving regular standing, walking, crouching, crawling, stooping, kneeling, pushing and pulling heavy objects up to 150 lbs, and carrying objects up to 70 lbs.
- Regular periods of sustained physical activities involving climbing, bending, stooping, controlling and adjusting the progress of machines and equipment, using appropriate body members (arms, hands, fingers, legs, etc.) to work, move, guide or place objects or materials, insert, throw, dump or place materials in container, or remove them from containers using either mechanized equipment or physical labor.
- Clarity of vision twenty (20) feet or more, good depth perception and field of vision in order to operate various kinds of public works motorized equipment, as well as eye/hand/foot coordination, manual and finger dexterity, acceptable hearing, and related cognitive abilities.

Cognitive Demands

Position requires:

- Ability to correctly apply the basic materials, equipment, and processes used in the receipt, processing, and disposal of solid waste and composting materials.
- Working knowledge of the operating characteristics of facility equipment, potential hazards, and safety precautions.
- Working knowledge of hand and power tools used in the maintenance and repair of equipment facilities and premises.
- Ability to perform a variety of laboring and semi-skilled tasks in the operation, maintenance, and repair of equipment.
- Ability to follow written and oral directions.

Language Ability and Interpersonal Communications

Position requires:
